The vholesale bribery is said to have been for the purpose of getting the franchise for furnishing the town with water.

The confession of Salsbury was told yesterday at the preliminary examination of State Senator David Burns, and it has incriminated a number of prominent persons, in addition to the seventen officials and former officials who were arrested on bribery charges ten days ago.

Never once did Salsbury have to refer to notes, and he gave his testimony readily and rapidly, giving names, dates, and occurrences as though the alleged events happened only last week, instead of three years ago.

The examination of Senator Burns was completely lost to view in the story of the conspiracy as related by Salsbury, and the amount he paid to each for their influence or silence was given, there was a stporess ad murmur of surprise throughout the thronged courtroom.

WHITE PLAINS, N. Y., Dec. 1 .- John Webber, known to the police of New York and West Chester county of the Friends, as a mission worker instated. from New York, and at night, it was charged, robbed houses in West Chester county, Long Island and New York, scaped from the county jail at White

Plains early yesterday morning.
Webber for months was supposed to be dying from a compound fracture at the base of the skull. He was guarded day and night by nurses, because it was feared he would kill himself, or die from daily hemorrhages from which he suffered. He nevertheless eluded the guards, entered the room of Deputy Warden Frank Wynn, stole his trousers and \$197 in bills and change, donned the trousers, took the deputy warden's key to the big steel front door, unlocked it

It is thought that Webber's wife was in the plot to aid in his escape, as she frequently visited her husband in jail. No trace of the man has been found.
